## **To whom it may concern**

### **Certificate of Compliance**

LITE guard trench shields have been designed to meet the minimum requirements of the Australian standard AS4744.1-2000.

They also meet the British European standard EN 13331.1 & 1333.2 and the USA standard OSHA Trench shoring sub part P.

All LITE guard shoring is certified by an independent structural engineer.

All shoring supplied to Aplant Hire meets the above standards.

Yours faithfully
